Old Business

Pawpaw

Dan discussed us parking cars rather than food cart for Fri, Sat and Sun, we would make \$5,000. It was decided at their meeting that we would do the food cart this year and possibly parking next year.

The online application will be done by Dan and Kevin at band camp

Deadline for health code is 3 days prior to event

We still want a 30 ft spot and will sell pop and water

Don brought it to attention that all supplies will need to be biodegradable and he has a supply catalog from Athens janitorial supplies.

An open fire is permitted as long as it is contained.

Monna would like a gate count from last year

We will ask for donations for the food to go in with little or no cost

A committee will be formed at a later date and shifts will be determined
Thom will ask Steve Evans for meat donations
Beth will ask Chris Swanson for Bun donation

Liability Insurance

\$350 annual cost 7/1/18-7/1/19 from Russ Norris
This will cover us at all events

Storage

VanWinkle is running out of space, would like the uniform room cleaned out for another practice area
Amish building-rent to own 3 years @ \$132- Tom Romine
20 ft pod rental \$100 month \$95 delivery- Bedrock
Would need heater and dehumidifier?
10x10 storage unit climate controlled \$90 month- Suds Monkey
VanWinkle would prefer Suds Monkey, most in attendance would prefer to buy rather than lease
Nate Schaller may be able to build building at cost
The cost for storage could be split between band and drama

New Business

Next booster meeting July 12 @ 6pm

We will continue to have meeting on Thursdays at 6pm

Our August 9th meeting overlaps marching band practice so it will be held in a different room

Items needed for Memorial Day performance 2019

decorations, cash box, utensils, fan, cups, folding wagon, foil for hot dogs, 7 table cloths, drinks, band food sign, missing soldier table, all call from the school

School board meeting

Thom asked Josh if any movement had been made to add the levy to the November ballot- there has not been yet
Assistant band director fees were cut \$1,492.08. By law the boosters are not allowed to pay this. We could however donate the amount to the school board and request it be used for that purpose. It is not a guarantee that they would but would be likely.
What the school board pays for right now-buses for away football games
Two years ago they paid for half of the percussion upgrade which was \$6,000. Total was \$12,000
Last year they paid for half of the Vibraphone
2016-2017 paid for repairs and music half way through year
It is questioned why we have to pay to play when school board only pays away buses?
What do we get out of it?
More information to follow after next school board meeting.

Meeting adjourned
