Treasurer's report read and approved

Thom informed up that we will discuss Pawpaw in January. Kevin will have a breakdown of cost and profit.
Have any questions or suggestions ready for that meeting.

Thom addressed that the levy did fail but we will overcome this. We will fight for the band as we are totally self sufficient minus salary and benefits of band director. We need to reach out to more band parents. It would be great if everyone brought someone with them to the next meeting.

The next school board meeting is November 19 in the library. This has been a huge disappointment and the kids are all worried about the future of band.

There are rumors that all electives may be cut. Josh Collins said there has been no talk of those cuts.

Old Business

All applications for the grants are in. Thom has been in contact with them and is awaiting response.

Candy Bars

3 full boxes and a partial box left

Pie Sales

We sold 894 plus they gave us 15. We may raise the price next year to \$13. The price raised in 2016 but we never increased our price.

Texas Roadhouse

We will be selling gift cars and will receive 10% of gift cards and 50% from the rolls and butter.

Kroger

Kevin received a letter from Kroger. Our number may have changed.

Re-certify to make sure it is accurate.

Holiday Concert

We will have split the pot, so far both winners have donated their share back to us. We should sell pizza for \$2 a slice. possibly raffle off a Christmas item, gift basket, ceramic tree or massage coupon. Need to ask Fruth, Bargain Billys, Margaret Demko, Aaron McAvoy.

Mattress Sale

Our next big fundraiser is the mattress sale on 3/23. They will come to school and talk about this. We need to get signs and posters sooner than a few weeks. We need to find out if we can get the other side of the gym for the brown bag auction.

Stadium Seats

Chad suggested that we try selling stadium seats. Anything that we sell has to have the new logo on it. This has to go through BSN. Josh informed us that the school gets a kick back but he is unsure of the specifics. Athletics gets 30% from Nike. We need to talk to Lindy to get specifics.

Motion to close old business Marianne, second Shannon

New Business

Bekki asked if honor band fees are paid by the booster. Yes the band boosters do pay for these fees. We want to encourage them to get involved in other activities.

Marianne suggested that for uniform cleaning we find a sponsor. She would like a list of the price from last years. If we did do this we would need to refund parents that paid last year. All marching band season items that are not being used need to be moved to our storage unit. Coolers, hat boxes and wagons.

Motion to close new business Marianne, second Monna
