

Permission to Participate

By signing below, I state that I understand the time and monetary commitment of my student joining the Alexander Marching Band. I understand that this is a season long commitment and that my student may not quit midway through the season. I will be available to pick up my student (if the student doesn't drive) after ALL band practices and events in a timely manner (within 15 minutes of arriving back at the band room). Rides home from other students/parents ONLY permitted with approval of both families. NO EXCEPTIONS.

Students will be made aware of all practices and performances ahead of time and these will also be relayed to parents in advance. However, it is the students' responsibility to keep track of these events outside of school and remain available for the duration of the marching band season.
